## “Buy a Pixel” Scheme

As part of our fundraising for the academy we have launched an online “Buy a pixel” scheme. For just £2.00 you can have your name and message displayed on our pixel page. So how does it work, well the page is divided up into small squares, when a square is purchased it will be filled with a small picture, it may be your favourite football clubs badge, the Trust badge or your countries flag. When the mouse is rolled over your square, your name and any message will be displayed. You can buy as many squares as you like.

If you own or run a business why not advertise your business on our pixel page. For just £80 you will get a prominent advert on the site (covering 32 squares). The advert will be able to display your message as above and will also have a link to your website. The advert will be of your own choice.

All money raised from this scheme will be put towards the Trusts premier fundraising activity. We have agreed with the football club that funds raised by the Trust should go towards the Academy at Oakwell. As we all know, several of the first team squad including Antony Kay, Neil Austin, Robbie Williams, Nicky Wroe, Scott Flinders, Nathan Jarman and Dale Tonge, started their careers at the Academy. With the support of the Trust through our fundraising, we hope that the Academy can continue to produce the next group of Barnsley stars.
